落地(写作)生根

在英语学习中足够的练习是很重要的。

I-In learning English enough practice is very important.

15/8-9 -> 句法思维, 连词

2-It **is** very important **that** we **should do** enough practice in learning English.

15/9-10 -> I got what I want. -> What I got **is** what I want.

3-**What is** very important **is that** we **should do** enough practice in learning English.

15/11-13 -> 词汇不高级

4-**What is increasingly essential** in learning English **is that** we **are supposed to do numerous** practice.

15/13-14 -> 外文思维

5-What matters most in learning English is **numerous** and essential practice.

爱谁谁 = 你是谁无所谓/没关系/不重要

It doesn't matter (...事...).

It doesn't matter **who you are**.

=**Who you are** doesn't matter.

if不引导位于句首的主语从句

很好用的谬论: 名词性从句连词都不能省略。

n/adj/adv

名词性从句: **主, 表, 宾, 同位**
